

ARAGAST CHAPTER VOLUNTEERS GET REWARDED

The members of the Aragast chapter have been volunteering their time at the Wellspring cancer support centre (Halton-Peel) for the past five years. This past June, the chapter was invited to a volunteer appreciation dinner, where they were pleasantly surprised by being presented with a special recognition for their services. The chapter was given a plaque, which reads :

Wellspring Halton-Peel wishes to acknowledge
the long standing contribution of the
Armenian Relief Society
