

## Hamparzoum

On Thursday May 17th, 2012, the ARS Montreal SOSSE Chapter celebrated the Ascension Day of Jesus Christ (Hamparzoum).

The executive board members with the Social committee members had prepared the meal for the night.

The master of ceremony was ungerouhi Annie Tashdjian who addressed the audience with explanations about Ascension Day (Hamparzoum) and vidjag reading, also animated some games related to the event.

Another successful EVENT, participants left happy!!

Thank you to all participants and ungerouhi Annie for her research and pleasant presentation.
